

VISHAL SHINGTE

MCA Student | Java | Spring Boot | Web Development

7620815801 | vishalshingte761@gmail.com | Pune, Maharashtra | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFILE SUMMARY

MCA student with hands-on experience building full-stack web applications and backend services. Strong foundation in Java, Data Structures & Algorithms, OOP, REST APIs, Spring Boot, MySQL, JavaScript, HTML/CSS, Git/GitHub and web application architecture. Built and independently maintained practical projects, including a multi-user travel platform with authentication, booking workflows, database integration and a responsive frontend. BCA graduate with 8.08 SGPA in MCA Year 1 and 6.63 CGPA in BCA.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, Basic C/C++; Data Structures & Algorithms (DSA)

Backend: Spring Boot, REST API design, Spring Data JPA, Spring Security, MVC architecture, server-side business logic

Frontend: HTML5, CSS3, JavaScript, responsive layouts, forms, interactive UI, API integration

Database: MySQL, SQL fundamentals, schema design basics, CRUD operations

Security & Integration: JWT authentication, role-based workflows, REST API integration, Razorpay integration concepts

Tools: Git, GitHub, Maven, Postman, VS Code, AI-assisted development, debugging

SELECTED PROJECTS

Sahyadri Pool & Trip | Java 21, Spring Boot, Spring Data JPA, Spring Security, JWT, MySQL, JavaScript | [Source Code](#)

- Built a multi-user travel and booking platform with REST APIs, authentication, business logic, trip/stay/booking workflows and database integration.
- Implemented responsive frontend integration, secured API access with JWT/role-based workflows, and connected frontend-backend services for end-to-end booking flows.

VS Soft - Business Website | HTML, CSS, JavaScript | [Live Demo](#)

- Designed, developed and deployed a responsive business website with clean UI, service information and contact-focused user interactions.

Student Management System | Core Java, MySQL, JDBC | [GitHub](#)

- Built a desktop CRUD application for managing student records using Java, MySQL and JDBC connectivity, with validation and database operations.

EDUCATION

MCA: Pursuing, 2nd Year | 1st Year SGPA: 8.08

BCA: Indrayani College, Talegaon Dabhade | CGPA: 6.63 | Completed

HSC / SSC: 66% / 77%

CERTIFICATIONS & ACHIEVEMENTS

- Full Stack Web Development Certification - Sigma Batch, Apna College
- Data Structures & Algorithms (DSA) Certification - Apna College
- Gold Medalist & 1st Prize - State Level Quiz Competition, Technocase 2025
- Participated in Smart India Hackathon (SIH) Bootcamp during BCA

LANGUAGES & STRENGTHS

Languages: Marathi - Fluent | Hindi - Fluent | English - Basic working proficiency

Strengths: Problem-solving, logical thinking, fast learning, end-to-end ownership
